### TESTIMONIALS

"Experiencing Joe as he weaves his magic from stage was such a gift! He masterfully brought us through some of his most potent and personal moments, letting us peek behind the curtain and connect to his ginormous heart! Joe's vulnerability and bold truth telling stood out to me and left me feeling inspired and hopeful. A gem of a man, an animated and thoughtful storyteller, and a great songwriter to boot! If you have the chance, go see Joe! You will leave with your heart cracked open and a smile on your face."

**Krista Richards - Visionary, Speaker, Singer/Songwriter, Mentor**

"Joe Hartman is a teddy bear with a beard! He is a true gem. Joe is a human who walks his talk (and sings his songs!). The world is a better place with Joe in it - and he is truly all 'heart'!"

**Wendy Peters - Caivano Wellnesswise.life**

"Joe is a heart centered, insightful and entertaining speaker with thought-provoking ideas who does a terrific job of engaging his audience. He knows how to deliver so the audience will welcome his ideas and knowledge, and his experience backs him up. As I joyfully enjoy listening to him, my mind expands and my heart grows."

**Laura Hernandez - Life Coach, Meditation Instructor, Healer**

"Joe Hartman is a sage. He is authentic and has lived an expanded life, exploring & experiencing all facets of the human condition. When we worked together I was struck by his integrity and the compassion and kindness he showed for everyone involved with the project."

**Eva S. - Real Estate Investor**

"Joe Hartman has a true love for life. It comes through so clearly in his service to others. He is one of the rare men in this world with an open heart, as suggested by his name."
